

# March Family Focus

## Habit of the Month:

## CALENDAR OF EVENTS

Dear families,

Edge Academy and Akros Middle School had a wonderful month of Synergizing in February. We are now looking forward to spending the month of March imagining ways to Think Win-Win!

Trying to Think Win-Win can be very difficult for children as well as adults. The goal of Thinking Win-Win is for both people to walk away feeling good about the outcome. No one gives up, no one loses... a third option is created in which both people can feel good about the decision.

*Try to have an "Everyone can win!" attitude!*

### Activities to Try at Home

1. Read the back of this sheet and have a discussion about what you would do and have your child explain what he/she would do. Then discuss how you each made your decisions.
2. Come up with a list of activities you and your family could do (like go for a walk, watch a movie, play a game, etc.) Then have everyone vote on what they want to do. If there's a disagreement, come up with a Win-Win situation. If everyone agrees, discuss how it could have been handled had you not agreed.

Happy Habit Development!
