Dear members of the School community,

As we begin this unprecedented school year, we recognize that it will not be without challenges and uncertainties. However, the School is committed to working closely with the local public health department to limit the spread of Covid-19 in the School community, and we believe that together we can all work to make this a safe and rewarding year for everyone.

With this in mind, beginning September 8, 2020, the School asks that parents and staff members report any known or suspected cases of Covid-19 in your household. **Please inform the School by calling 330-374-6704 or emailing fdecesare@edge4kids.org in the event that you, your child or a member of your household test positive for or receives a clinical diagnosis of Covid-19.** For purposes of virus prevention, it is important that you notify the School as soon as possible, ideally within 24-hours of a receiving a positive test result or a diagnosis.

If you have any questions or concerns, please contact Faith DeCesare, the School's designates Covid-19 Coordinator at Fdecesare@edge4kids.org.

As always, safety remains a top concern for the School, and we will continue to take all recommended precautions to prevent the spread of Covid-19. Thank you for shared commitment in this effort.

Sincerely,

Faith DeCesare
Superintendent
